Read These Instructions Carefully
Failure To Follow These Instructions May Cause Your Ballot Not To Count

We have determined that the signature you provided on your vote-by-mail ballot envelope does not match the signature(s) on file in your voter record. In order to ensure that your vote by mail ballot will be counted, the Signature Verification Statement must be completed and returned as soon as possible.

The Signature Verification Statement must be received by the elections official of the county where you are registered to vote no later than 5 p.m. on November 27, 2018.

You must sign your name below where specified on the Signature Verification Statement (Voter's Signature).

Place the Signature Verification Statement into a mailing envelope addressed to your local elections official. Mail, deliver, or have the completed Signature Verification Statement delivered to the elections official. Be sure there is sufficient postage if mailed and that the address of the elections official is correct.

If you do not wish to send the Signature Verification Statement by mail or have it delivered, you may submit your completed Signature Verification Statement by email or facsimile transmission to your local elections official using the information provided.
