**LUCY MARIA HENDRY**

**Age: 64**

**Occupation:**

**Education and Qualifications:** I embrace the goal of supporting strong families and students who are prepared for life, college, and career. As a candidate for the Board of Education, I will dedicate my time and focus to this important mission. I have both attended and worked my entire life in our local schools, and I'm a proud life-long member of our caring community. I retired after 37 years with the Central Union High School District with the last 28 years serving as the Executive Assistant to the Superintendent. My vast experience in public education has allowed me to obtain a wealth of knowledge in all areas of school district policies, state and federal laws and regulations, and managing public meetings. I will bring a rural community perspective and diverse background to the Board that will ensure we always focus on the best interests of our students and communities as decisions are made. I will use my experience and resources to be an effective and compassionate leader for our county. I am asking for your vote and commit to earn your trust and confidence as I represent the interests of Area V and those of the greater Imperial County.
