IMPERIAL COMMUNITY COLLEGE, AREA 4**

**YULIL ALONSO-GARZA**

**Age: 48**

**Occupation:** Educator

**Education and Qualifications:** I am a community member who comes from a family of educators and have been involved in academia for more than twenty years. That involvement has inspired me to be a catalyst to change the future of our higher educational institutions. Over the years, I have been involved as a student, employee, educator, parent, community organizer, and partner in legislation with IVC. I understand the important role IVC plays in improving the quality of life of our society. I value the excellent education that IVC has provided to myself, family, and past students. My contributions and passion will enhance the integrity, experience, and perspective of the current board of trustees. I commit to being accessible and will collaborate with students, parents, employees, and others who have an interest in moving this institution forward. Together, we can expand the current innovative and progressive opportunities IVC offers. More importantly, I am committed to ensuring safety for all and will oversee IVC's fiscal integrity to ensure everyone is meeting and living the IVC mission. You have the power to bring this diversity to the board with your vote for me, the innovative candidate who continues to be engaged with the Imperial Valley community.
