

**STATEMENT OF CANDIDATE FOR
BRAWLEY UNION HIGH SCHOOL**

GLORIA SANTILLAN

Occupation: Certified Public Accountant

Education and Qualifications: As a CPA in the Imperial Valley for over 25 years, I have provided administrative and management services in fiscal and accounting positions for various firms in Imperial Valley. I have served as a board member for both Brawley Elementary School District and Brawley High School providing me an insight knowing the challenges each district faces. As a board member, serving on the local Regional Occupational Program as well as a State delegate for the California School Board Association, has given me knowledge to benefit our students and School District. My previous committee involvement will assist in developing best methods and goals in utilizing California State Funding. I believe that every young person, with quality instruction can achieve and succeed as a model citizen. Having worked in environments using technological systems in accounting, health data, and communication, off campus, gives me an advantage in today's market. My profession and experience in distance learning will be a benefit in guiding the delivery of quality curriculum. My passion for education and building individuals to achieve at their highest potential is a trait I am proud of and will apply when elected to the BUHS Board.
