

**STATEMENT OF CANDIDATE FOR  
CALEXICO UNIFIED SCHOOL DISTRICT**

**ENRIQUE “KIKI” ALVARADO**

**Age: 43**

**Occupation:** Imperial County Public Defender Investigator

**Education and Qualifications:** I, Enrique Alvarado, am seeking re-election for the governing Board of the Calexico Unified School District because I want to continue to strengthen the bonds between our schools and our community. I will continue to deliver what the residents of Calexico want – which is for our students to have the best materials and facilities, our teachers too have the finest tools and classrooms we can give them, parents should have more opportunities to participate in their children’s education, and our community should have increased trust and communication with our school leadership. I hold degrees in Business Management and Public Administration, so I am familiar with ways to achieve these goals, but more important than my formal education is my experience as a parent. My wife and I have 4 children which have attended and is attending Calexico Unified School District, and what I wish for them is what I want for all students in our district. Our community’s students deserve the highest standard of education that will lead them to their place as tomorrow’s leaders, and I, Enrique Alvarado, pledge to continue to work with the Board to make sure this happens. Thank you for your support and vote.
