

**STATEMENT OF CANDIDATE FOR  
BRAWLEY ELEMENTARY SCHOOL DISTRICT**

**RON AMIDON**

**Occupation:** Trustee Brawley Elementary School District

**Education and Qualifications:** I am a retired educator of our Brawley Elementary School District. I taught 30 years combined at Phil Swing Elementary and Barbara Worth Jr. High. Being single with no children allowed me to dedicate myself to my students, parents, our school district, and community. I know the workings of our school district from within. I have worked alongside our school district personnel. I believe these 30 years have given me a unique insight to the needs and solutions for our school district. I would keep the welfare of our students first whenever issues and decisions of our school district are being considered. As a school board member I would conduct myself with honesty, respect, and dedication. With your support I may continue my service to our Brawley Elementary School District.
