

**STATEMENT OF CANDIDATE FOR  
EL CENTRO ELEMENTARY SCHOOL DISTRICT**

**FRANCES A. TERRAZAS**

**Age: 69**

**Occupation:** School Psychologist

**Education and Qualifications:** I, Frances Terrazas, am asking for your vote on November's election to become an El Centro Elementary School District Board member. We have entered challenging times, and the school board will have to face many changes and make difficult decisions. I am asking that you place your confidence in me to be able to help the District in making the needed decisions to move forward in our children's education. I have thirteen years of experience as a School Trustee for the ECESD and seventeen years of work experience working as a teacher, School Psychologist, and Administrator. Presently, I am a part-time School Psychologist at BUHSD. Educationally, I earned credentials to teach in the classroom, as a school psychologist, counselor, and as an administrator. My education and work experience allow me to grasp and maintain the business on hand of a school board member with sufficient confidence not to micro-manage school business. Additionally, working as a volunteer for the last five years at ECESD has given me insight into the students' school experiences and their needs. I am asking you to permit me to apply my skills and knowledge by voting for me as your school board representative.
