

**STATEMENT OF CANDIDATE FOR
HEBER ELEMENTARY SCHOOL DISTRICT**

POMPEYO TABAREZ, JR.

Occupation: Retired Senior Deputy Sheriff

Education and Qualifications: During the last 9 years, I have had the opportunity to represent our community of Heber in different elected positions. Thanks to your support and trust, together as parents, and residents, our schools and community have been recognized and acknowledged for various national and state educational awards. The opportunity that you have given me as an elected member these past couple of years has allowed for various modernizing improvements throughout the community, as well as building a gym, and giving our educators the tools they need to help our students succeed. As such, I ask that you please help re-elect myself Pompeyo Tabarez as your Heber Elementary School District Trustee and Director. I believe that having the foundations of education in a Master of Business Administration, being a retired Senior Deputy Sheriff, working as an Adjunct Faculty Professor, and working as a Substitute Teacher at various schools gives me great insight into helping our community become better by giving input and making decisions that affect your children, my children, our neighbors, and the residents that live in our community a better way of life and the best education system possible. Thank you, Please Vote to re-elect Pompeyo Tabarez Jr.
