**ALEC AUSTIN HENDRY**

**Occupation:** Public Servant / Finance Administrator / Parent

**Education and Qualifications:** As a lifelong El Centro resident and McCabe graduate, I am honored to be considered for the MUESD Board of Education. Now with two young children of my own, my passion, dedication and interest in the long-term success of the McCabe School District is unparalleled. As a product of our local education systems, I am forever indebted to our Imperial Valley teachers and administrators for paving the way for my success. With the support of my family, I have dedicated my life to continued education and enriching my community through public service.
