

**STATEMENT OF CANDIDATE FOR  
MC CABBIE UNION ELEMENTARY SCHOOL**

**EDGAR AGUILAR**

**Occupation:** Optometrist / Local Business Owner

**Education and Qualifications:** I am not only a local business owner but also a parent to two daughters that attend McCabe and Corfman schools. I am passionate about helping my community as well as ensuring that every student in our school district is able to thrive academically. I promise to continue to bring excellence to McCabe school district by seeking transparency and involving all stake holders when making tough decisions. I have been involved with McCabe Measure G committee and have been part of several organizations in the valley that involves our community. I am seeking to retain and hire highly qualified teachers while supporting our staff as they find ways to provide our children with ample learning opportunities. My wife and I are involved in our children's education at all levels and I plan to do the same for all McCabe Unified students. It is imperative that teachers and staff are given the tools needed to be successful with our students. My experience as a business owner that is involved with our community as well as a parent gives me a distinctive perspective in providing essential leadership. I will provide dedication, passion and experience!
