

**STATEMENT OF CANDIDATE FOR
COUNCIL MEMBER CITY OF BRAWLEY**

DONALD L. WHARTON

Age: 52

Occupation: Business Executive

Education and Qualifications: "Hello to my fellow citizens of Brawley. It is my honor and privilege to serve each and every one of you as a member of the Brawley City Council. The City of Brawley, like many cities in across the country, is facing many challenges. I practice and apply conservative fiscal values as well as considering innovative ideas. Together we have navigated tough challenges of the past, as we face future challenges with these unprecedented times. We must continue to leverage our strengths and manage our resources. I believe that the agricultural industry is at the heart of our community and needs to be supported. I have helped to bring life-saving ground and air ambulance services to Imperial County. I have served the public as a reserve peace officer for over 20 years. Now, more than ever, experience counts! I believe that I have the experience and qualifications to continue serving as your councilmember. The most important aspect of being a council member is to always do what is right for the citizens of Brawley, by making the best policy decisions. I respectfully ask for you to vote Donald L. Wharton, for Brawley City Council. Thank you."
