

**STATEMENT OF CANDIDATE FOR
COUNCIL MEMBER CITY OF BRAWLEY**

RONALD GRAY III

Occupation:

AGE: 36

Education and Qualifications: I am running for Brawley City Council because I love this city. It is important to me that the younger generation gets involved in the development of Brawley. I believe I am the right person to bring the much-needed attention of the younger generation for this city. It is imperative that the Brawley City Council accurately represents the diversity of the people who live here. It only makes sense to have someone on Council who can learn from the older generation, while being connected to the current needs of the younger community. I understand how a team works and the Council is just that, a team. In my opinion, the Brawley City Council is needing diverse leaders to represent this wonderful growing community. I will ask the hard questions. I will fight for all city residents to get fair share of resources.
