

**STATEMENT OF CANDIDATE FOR
COUNCIL MEMBER CITY OF CALEXICO**

RAÚL UREÑA

Occupation:

Education and Qualifications: Hello! My name is Raúl Ureña. I am a student of economics and recent college graduate coming back home to continue serving his community. During my studies, I worked in the Microbusiness Department of the Calexico Neighborhood House helping small businessowners in the community overcome obstacles to keep their business moving. During my time there, I worked with Assemblyman Garcia to legalize and regulate home food businesses (AB 626) to make owning a business more accessible to our community. The bill, signed by Gov. Jerry Brown, allows people to open a home business without the need for a full commercial kitchen which can cost upwards of \$20,000. The bill requires a simple inspection from the County Public Health Department. I work with numbers by training. I measure outcomes honestly. I am disheartened by the levels of corruption and I am not afraid to stand up to the powers that are holding our city back from progress. A vote for me is a vote for a Calexico that is proactive and honest in handling the peoples' business. Any questions/concerns or comments do not hesitate to reach out to us!
