

**STATEMENT OF CANDIDATE FOR
COUNCIL MEMBER CITY OF EL CENTRO**

JASON JACKSON

Occupation: Mayor Pro-Tem / Business Owner

Education and Qualifications: El Centro is our home, and I'm proud of the work our community has done to improve the quality of life for our families and residents. In 2016, as Mayor, I authored and worked to pass Measure P to help build projects making El Centro a better place to live and work. I'm also proud that we were able to build the Veterans Memorial that opened in 2016. Born in El Centro, I was taught by great teachers who inspired me to earn an Associate's Degree in Criminal Justice Administration. I was then able to earn a Bachelor's Degree in Criminal Law and a Master's Degree in Public Administration from San Diego State University. Married with two young children, I know our community faces many challenges in today's political environment. As Co-Founder of the IV Patriotic Committee and an Eagle Scout of the Boy Scouts of America, I believe in our community. Unfortunately, with Covid-19 and social unrest affecting our communities, we need leaders who can bring residents together. I hope my experience of serving on the Council, and working on many governing boards in order to help our residents and small businesses, will earn your vote on November 3rd.
