

**STATEMENT OF CANDIDATE FOR  
COUNCIL MEMBER CITY OF HOLTVILLE**

**J. MURRAY ANDERSON**

**Age: 51**

**Occupation:** Home Health Coordinator, AccentCare Home Health

**Education and Qualifications:** I am running for Holtville City Council because I want to give back to the town that raised me. I want to help make the decisions that will form our beautiful town for years to come. I was raised in Holtville and went through the Holtville school system. I graduated from Holtville High School in 1987 and went on to receive my bachelor's degree in Communications from Cal State Fullerton in 1992. I am in my seventh year as a coach at Holtville High School and have coached youth sports in Holtville, El Centro and Imperial. In 2007, I joined the Green & Gold Hall of Fame committee and began organizing the John Kirchenbauer Memorial Golf Tournament to raise money for Holtville High School and youth athletic programs. My wife, Candy and I have a daughter, Orian, 16, who attends Holtville High school and sees the picture of her grandmother, Jan Anderson, hanging in the library as one of the inaugural inductees into the Green & Gold Hall of Fame in 2006. I want Holtville to continue to be the town we all love. Thank you for your vote.
