December 1, 2020

The Imperial County Registrar of Voters (ROV) announces the release of the Final Official Results for the November 3, 2020 General Election. These final results include the Summary Report and Statement of Votes, as well as an addendum to each report. The addendums to these reports were generated in order to correct errors as further described below.

Prior to Election Day, the ROV office identified that an error was made in some ballots issued for Imperial Community College District - Division 4 and Imperial Irrigation District – Division 2. During the canvassing process, it was determined that approximately 200 ballots were affected.

To correct the error, new ballots were mailed to each affected registered voter within the identified precincts. Voters were advised to dispose of their original ballots and to submit the new ballot. Ballots received from affected precincts were captured in order to ensure voter integrity and eliminate potential voter fraud.

If both an original ballot and a corrected ballot was returned by a voter, the original ballot was voided and the new corrected ballot was tallied as part of the addendum. If a voter only sent the original ballot and did not send a corrected ballot, the original ballot was tallied.

An addendum was created to provide a Summary Report and Statement of Votes reflecting votes casted in the affected ballots. All activity to develop the addendum was done in consultation with the California Secretary of State and representatives from Dominion Voting System. Impacted candidates were notified immediately upon discovery of the problems by an election official.

The Registrar of Voters wishes to thank the public for their patience and support during the unprecedented canvassing process of the General Election.

Respectfully submitted,

/s

Debra Porter,
