

**STATEMENT OF CANDIDATE
MEADOWS UNION ELEMENTARY SCHOOL DISTRICT BOARD OF TRUSTEES**

PRISCILLA QUAN

Occupation: Instructional Aide

Education and Qualifications: My name is Priscilla Quan. I am seeking your vote for a Meadows Union Board of Trustee seat! My children have been attending Meadows Union School since 2015. The youngest of my four children is starting kindergarten this fall. For nine years, I have been actively involved in my children's education at Meadows. I've volunteered countless hours helping in the classroom, on field trips, and in school and sport events. It has been a pleasure for me to be involved at Meadows throughout these years. This has allowed me to build relationships with Meadows students and parents alike. I have also gained experience working as an Instructional Aide for the El Centro Elementary School District. This has furthered my interest in children's education and confirmed my thoughts about wanting to be part of a process that will enhance the learning journey of our children at Meadows. My involvement at Meadows over almost a decade has given me a unique perspective on improving it. I've listened to concerns from parents and believe I can address them effectively. My goal is to make positive changes so Meadows can continue to evolve into a great place for all of its students!
